Colleagues,

This meeting is being set-up at the request of the petitioner of Request for Correction #17002, dealing with the IRIS Toxicological Assessment of Chloroprene. It will be held in our HQ OEI offices of EPA West. I have had to change rooms to accommodate a greater number of attendees, so we will now be meeting in the **Yellowstone conference room #6122 of EPA West**, (William Jefferson Clinton West).

We will be using a phone bridge for those dialing in remotely:

866 299-3188, Access code = **202 566-1656**

Attached is the Agenda and ppt. briefing
